

Curriculum Vitae

Claude BEAUPORT

Born in Frameries (Belgium) on 22 January 1945.

Belgian citizen, he lives presently in Brussels

MSc Engg from "Université de Liège" in 1968

Interim Management - Freelance

Since 01 July 2001, Claude is operating as Consultant, Adviser, Freelancer and/or Interim Manager through my own one man company: "PRENMA Consulting"

From 1970 to 30 June 2001, he has been employed mainly by two European Groups.

He started as MSc in Civil Engineering in 1970 in an Energy/Environment related Company and wide up into other disciplines. He has acquired a multidiscipline experience. His career covers all phases: Design, Site, Project Management, marketing, Supply Chain, Procurement, Business development, acquisitions, Joint-Ventures negotiation, Director of subsidiary and Business Units on an international level, and covers also manufacture of associated products.

from - to	Place	Company	Function
2001-now	Brussels	Proactive Energy Management	Managing Director / owner / consultant
2000-2001	Wenden (Germany)	Hamon Rothemühle Cottrell	Business Unit Director
1998-1999	Bombay (India)	Hamon India	Managing Director
1993-1997	Brussels	Hamon Thermal Engineers and Contractor	Business Development (1)
